# **Montana Healthcare Programs Notice**

**IHS/Tribal 638**

---

**Effective September 1, 2015**

## **Substance Use Disorder, Revenue Code 944**

Beginning September 1, 2015, Montana Medicaid will allow IHS/Tribal 638 facilities to be reimbursed for Revenue Code 944, Substance Use Disorder.

This is a change from mental health and substance use being billed together under the mental health revenue code. This will allow a facility to be paid for mental health and substance use services on the same day and promote accurate data collection.

Revenue Code 944 will pay at the all-inclusive rate. Providers must meet the State of Montana licensure standards or IHS/contract standards. Tribes must have a 638 agreement with IHS to provide substance use services.
